## Euronext Oslo Børs and Academy

[Euronext Oslo Børs](#) offers the only regulated markets for securities trading in Norway today and is world-leading in the energy, shipping and seafood sectors. Oslo Børs joined the Euronext Group in June 2019.

As part of Euronext, companies listed on Euronext Oslo Børs now meet a larger investor audience, which means increased access to capital, liquidity and interest. More investors are also meeting through our efficient and secure trading platform, where our unique Single Order Book allows around 180 brokers to trade, clear and settle in a uniform way.

[Academy](#), the training centre of Euronext Group, turns **capital markets expertise** into world-class training courses and programmes.

Our programmes reflect the evolution and trends of **financial markets and their ecosystems**.

Key assets of our learning centre are our centrality in capital markets, and our **internal and external faculty**, whose contributors are drawn from practitioners, academics, advisors and financial market specialists.

As a financial market infrastructure, being at the centre of capital markets, we understand not just what is happening now, but also what's changing - so we can design our courses to equip attendees with the necessary skills for the world of today and tomorrow.
